

## Industrial Instrumentation

Our equipment division is equipped with the latest technology and offers a wide range of equipment for various Industrial Applications.

From Process equipment to Analytical Instruments, we offer cutting edge solutions designed to improve efficiency and productivity.

### Brands

and more...

### Pressure & Temperature Measurement Control

Pressure & Temperature Gauges

Pressure & Temperature Panel Meter

Pressure & Temperature Transmitters

Pressure & Temperature Switches

Pressure & Temperature Transducers

Thermowells and RTDs

## Actuators, Poistioners, Valve Monitors

Valve Actuators

Multiport Flow Sectors

Gearboxes and Accessories

Linear & Rotary Valve Monitors

Precision Control Instruments

## Level & Flow Measurement and Controls

Differential & Hydrostatic Pressure Transmitters

Rotary & Ultrasonic Transmitters

Level & Flow Switches and Gauges

Magnetic Level Gazze & Sight Glass

Flowmeters

pH, Conductivity Sensors

Thermal Mass Flow Meter

## Pressure Safety, Relief Valves & Manifolds | Control Valves, Regulators

Direct Spring Valves

Pilot Operated Valves

Hydrant Reducing Valves

Safety Selector Valves

Surplus Sustaining Valves

Control Valves & Positioners

Pressure Reducing Regulators

Back Pressure Regulators

## DCS, Data Acquisition Equipment

Scanners & Thermal Imagers

Product Control Systems

Liquid, pH/ORP Analyzers

Controllers & Indicators

Gas Analyzers, Dust Monitors

Calibrators, Clampmeters

## V Belts

V Belts

Timing Belts

Conveyor Belt

## Couplings

Disc & Fluid Coupling

Elastomer Coupling

Gear & Rigid Coupling

Torsionally Soft/Stiff Coupling

## Bearings

Ball Bearings

Cylindrical Roller Bearing

Sleeve Bearing

Thrust Bearings

## PGas & Flame Detection, Burner Controls, Igniters

Flame Safeguard & Combustion Controls

Industrial Surveillance Equipment

Toxic Gas Detection

Combustible Gas Detection

Optic Flame Detection

Gas Leak Detectors

Flue Gas Analyzers

Smoke Detection

## Motor & Accessories

Horizontal Motor

Verical Hollow Shaft Motor

Low/High Voltage Motor

AC & DC Motor

## Filters

Ventilation Filters

Tank/Return Line Filters

Inline Filters

Duplex/Inline Filters

## Pump & Pump Accessories

Single & Multi Stage Pump

Filter/Regulators

Valve/Seats/Plungers

Accessories

## Burners

Burner Control

Flame Scanner

Ignitors and Reactors

## Heat Exchanger & Heat Transfer Equipment

Air Heat & Tubular Exchanger

Plate Heat Exchanger

Filters & Strainers

Spare Parts

## Diesel Generator Parts and Accessories

Inlet and Exhaust Valves

Power Supply

Transformer/Filter Elements

Gas Kits and Timer

## Pulsation Dampener

Bladder/Membrane Type

Bellow Type

Bladder Kits/Cartridges

## Compressor Part & Accessories

Piston and Bearing Kit

Shaft Seal Kit

Gauge and Valves

Seperator Element

## Gasket and Packing

Spiral Wound Gasket

Oct & Oval Ring Joint

Ring Joint

Packing

Valves and Actuators

Oil Country Tubular Goods

Wellhead Systems

Expansion Joints

Sight Glass

Strainers

Stem Traps
